N.B. This report is based on a quick survey done by Implementation Coordinators within their regions in November 06. It may contain errors, and could benefit from further cleansing. We are publishing this as a temporary measure to support LAs in working together to develop LDQT XML extracts. If you see an error for your LA, please ensure the correct data is in the LARA CMS Analysis, as we will publish an update in early June 07 based on the CMS Analysis results.
