Directorate	Complete locally
Service	Complete locally
Grade	Complete locally
Location	The postholder will be required to work flexibly as part of a MASH co-located integrated team based at complete locally
Responsible To	Complete locally

BROAD PURPOSE/CONTEXT

Multi Agency Safeguarding Hubs (MASHs) co-locate key agencies and their data into a secure assessment, research and and referral unit for notifications on vulnerable children and young people.

The postholder will work as part of a dynamic multi-agency integrated team assessing notifications and referrals regarding children aged 0 - 18.

The MASH process includes searching for and collating information from a range of sources including databases and other professionals. With due regard for confidentiality, the MASH professional is responsible for interpreting and sharing the information that is necessary to safeguard and promote the welfare of the child/young person.

MAIN DUTIES AND RESPONSIBILITIES

1. Maintain constructive relationships with a broad range of internal and external stakeholders and specifically with professionals from RSLs, Community Safety and Supported Housing.
2. Through liaison, dialogue and searching appropriate databases collect and collate relevant information to add to the multi agency risk assessment.
3. Record, interpret and present information and issues that can impact on the risk or needs assessment of the child/young person. This may involve disclosing proportionate and relevant information related to the parents or siblings or others in contact with the family.
